### ADMINISTRATIVE DECERTIFICATION

**Date of Administrative Decertification:** January 9, 2024

**Name:** Mawolo Mulbah

#### Summary

On August 4, 2023, The Delaware Police Officers Standards and Training Commission (POST) received notification that Mr. Mulbah had “been discharged from employment with a law enforcement agency for a breach of internal discipline,” which served as grounds for de-certification under 11 Del. C. § 8404(a)(4)e.1.

Pursuant to 11 Del. C. § 8404A, Mr. Mulbah had the right to a hearing before a board composed of three Commission members (a 'Hearing Board') appointed by the Commission Chairman. POST notified Mr. Mulbah of his right to exercise this option; however, no response was received. At the quarterly POST Commission meeting held on January 9, 2024, the Commission reviewed the facts of the case and voted to decertify Mr. Mulbah, as a police officer in the State of Delaware. As of that date, Mr. Mulbah is no longer authorized to exercise any police powers in the State of Delaware or be employed by any Delaware law enforcement agency in a police capacity.
