Name: Joseph Dominic

Summary

On January 26, 2024, The Delaware Police Officers Standards and Training Commission (POST) received notification that Mr. Dominic had been discharged from employment with a law-enforcement agency for a breach of internal discipline,” which served as grounds for de-certification under 11 Del. C. § 8404(a)(4)e.1.

On November 18, 2024, Mr. Dominic pled guilty to one count of Possession of a Controlled Substance and Official Misconduct.

Pursuant to 11 Del. C. § 8404A, Mr. Dominic had the right to a hearing before a board composed of three Commission members (a 'Hearing Board') appointed by the Commission Chairman. POST notified Mr. Dominic of his right to exercise this option; however, no response was received. At the quarterly POST Commission meeting held on May 6, 2025, the Commission reviewed the facts of the case and voted to decertify Mr. Dominic, as a police officer in the State of Delaware. As of that date, he is no longer authorized to exercise any police powers in the State of Delaware or be employed by any Delaware law enforcement agency in a police capacity.
