ADMINISTRATIVE DECERTIFICATION

Date of Administrative Decertification: May 18, 2026

Name: Darrell Powell

Lead Charge: Dishonesty

Summary

On March 19, 2026, The Delaware Police Officer Standards and Training Commission (POST) received notification that Mr. Powell's "certificate was issued due to fraud, mistake, or deceit" which served as grounds for de-certification under 11 Del. C. § 8404(a)(4)a.

Pursuant to 11 Del. C. § 8404A, Mr. Powell had the right to a hearing before a board composed of three Commission members (a 'Hearing Board') appointed by the Commission Chairman. POST notified Mr. Powell of his right to exercise his option; however, no response was received. At the quarterly POST Commission meeting held on May 18, 2026, the Commission reviewed the facts of the case and voted to decertify Mr. Powell, as a police officer in the State of Delaware. As of that date, he is no longer authorized to exercise any police powers in the State of Delaware or be employed by any Delaware law enforcement agency in a police capacity.
