### ADMINISTRATIVE DECERTIFICATION

**Date of Administrative Decertification:** May 18, 2026

**Name:** Edward Brooks

#### Summary

On April 17, 2026, the Delaware Police Officer Standards and Training Commission (POST) received notification that Mr. Brooks had "failed to successfully complete any in-service or advanced training required by the Commission," which served as grounds for decertification under 11 Del. C. § 8404(a)(4)b.

Pursuant to 11 Del. C. § 8404A, Mr. Brooks had the right to a hearing before a board composed of three Commission members (a "Hearing Board") appointed by the Commission Chairman. POST notified Mr. Brooks of his right to exercise his option; however, Mr. Brooks provided notice to POST that he wished to voluntarily surrender his POST certification. At the quarterly POST Commission meeting held on May 18, 2026, the Commission reviewed the facts of the case and voted to accept the voluntary relinquishment of his POST certification. As of that date, he is no longer authorized to exercise any police powers in the State of Delaware or be employed by any Delaware law enforcement agency in a police capacity.
